

**LPA MANUAL  
EDITION CHANGES  
JULY 2004**

Spelling, minor editing, and general formatting throughout manual.  
Renumbered last two sections of manual

**Section 500**

In first paragraph add: *The chart is a general representation of the process necessary to complete a project. The times shown are not reflective of the actual time necessary for each task.*

**Section 800**

End of first paragraph, change reference to section number to 820.00

**Section 1500**

Revised 1510.00 to explain current exchange program.

**Section 1600**

This is a new section addressing processes for CMAQ and Enhancement Projects, and other projects off the Federal-aid System.
